**Subject:** slides

Just started looking at the slides. They look good.

Has there really been a decision on long term bio monitoring? Just this am, Kathie A said they were just starting a sampling plan. Has a SAP been drafted?

- Groundwater

Priority alluvial wells near the river in the Animas Valley

- River Water

Grab Samples

Long-term high resolution auto samplers

- Sediment
- Biological
- Benthic invertebrates (Mountain Studies Institute)
- Fish (Colorado Parks and Wildlife)
